FROM: KEN A. MILLER, Director
Department of Public Works - **Transportation**

**SUBJECT: CONTRACT WITH WILLIAM KANAYAN CONSTRUCTION FOR THE OVERLAY
OF VARIOUS ROADS IN THE CRESTLINE AREA**

RECOMMENDATION: (1) Award a contract to William Kanayan Construction of Rim Forest in the amount of \$197,833 for the overlay of various roads in the Crestline area; (2) Authorize a contingency fund in the amount of \$19,783 and authorize the Director of Public Works to execute necessary changes in the contract, and; (3) Authorize the Director of Public Works to execute the Notice of Completion after acceptance of the work.

BACKGROUND INFORMATION: The existing asphalt concrete pavement on various roads in the Crestline area has deteriorated and is in need of rehabilitation. Accordingly, the Department prepared plans and specifications for a project for crack sealing and placing asphalt concrete overlays on these roads.

On May 13, 2003, the Board approved the plans and specifications and authorized advertising for bids for this project. Six bid proposals were received on July 24, 2003, ranging from \$197,833 to \$259,952. The lowest bid was by William Kanayan Construction at \$197,833, followed by Vance Corporation at \$215,355 and Laird Construction Co., Inc. at \$217,217. The engineer's estimate was \$198,947. The Department has reviewed the proposals received and determined that they are responsive with exception of the bid by Palm Canyon Contractors that was declared non-responsive for having failed to fill-in all the bid prices in the proposal.. Public Contract Code Section 20128 requires the Board to award the contract to the lowest responsible bidder and Section 20142 allows the Board to authorize the Director of Public Works to order changes in construction contracts. Following Board approval, construction on the project should commence in late-September and be completed by the end of October 2003.

REVIEW BY OTHERS: This item was reviewed by Deputy County Counsel Charles S. Scolastico on August 22, 2003 and by the County Administrative Office (Tom Forster, Administrative Analyst) on August 28, 2003.

FINANCIAL IMPACT: The cost of this contract is \$197,833. Appropriations for this contract are included in the Fiscal Year 2003/2004 Transportation budget and will be financed by AB 2928 and Measure "I" funds (SAA-TRA-TRA-15HA0077 & SWT-TRA-TRA-14T01145).

COST REDUCTION REVIEW: The County Administrative Office has reviewed this agenda item and concurs with the Department's recommendation based on the need for these improvements in order the maintain the integrity of various roads in the Crestline area. Also, these road repairs will be financed through dedicated AB 2928 and Measure I funds; therefore, no impact on the County General Fund.
